PRESIDENT'S *Message*

Dear Members,

As I sit here drinking tea, I still can't believe that I survived this year's Montgomery Week. My car was packed, well over packed, and it was up a 2:30 AM to drive down to New Jersey and then get in line to get into Colonial Park for Morris and Essex.
That week of shows, the USLTC had 6 opportunities for majors over the five days of showing. Three Designated Specialties, one Concurrent Specialty and our National Specialty on Sunday. The club hosted its annual general meeting and awards dinner, we offered hospitality at Montgomery, we all brought cool weather clothes and the temps (except early in the AM) were in the high seventies/low 80s. We needed sunscreen and not sweaters that week! Our dinner was coordinated by Susi Pallos and she did an excellent job on the raffle and the goodie bags. Grace Adriani with Artero and Emily Ure with Lovegroomers.com both contributed items. Thank you again ladies for all that you did. Your donations were greatly appreciated.
The club held its first Concurrent Specialty at Hatboro 2. The club made a profit of just over $600 on that event. Huge thanks to Red Tatro for being our judge and Al Ferruggiaro for stewarding.
Full results and photos will be in the rest of this edition of The Lakelander.
As a very wise woman in dogs told me years ago, once the show starts, it's time to plan for the next year. For 2026 we are going to host the Concurrent Specialty again (judge TBD). Our silent auction will return in 2026! We have signed a contract with Madeline's Restaurant and will have ample space for additional tables for our auction. Madeline's is short drive from the Hatboro site.
We have listened to our members. The Comfort Inn was less than comfortable for a number of our members who stayed at the hotel. We are in the midst of getting a new hotel for 2026. I am asking our bright and talented membership to help us come up with a theme for 2026. The club would like to do a logo for the theme. Let me know if you have an idea for a theme and logo!
The Board of Directors has continued its support of charitable organizations. The board reviews suggestions sent in and at our October meeting we agree on organizations and amounts. This year the BOD agreed to do donations in the amount of $500 each to the following organizations, Canine Companions for Independence in Memory of Sarge, Take The Lead, NAIA and the AKC Health Foundation.
My thanks to everyone who entered, came to watch, donated to the trophy fund and supported the club. I wish all of our members a very happy, healthy and safe holiday season.

MIS MBISS GCHG CH Hi-Kel Terrydale Nanhill Missconceived

The kick-off to our annual specialty was the famed *Morris and Essex* show, held every five years and honoring the tradition set by Mrs. Geraldine Rockefeller. This unique show started in 1927 and ended in 1957, and was one of the grandest shows in history. Revived in 2000, this sixth modern version held all of the trappings of the previous ones: homage to period costumes, hats, antique cars, silver trophies, the famous box lunch and, of course, great dogs! The entry is capped at 4,455, exactly one dog fewer than the largest entry (1939) during Mrs. Rockefeller Dodge's era. The show boasts and outstanding judging panel.

Getting into the show grounds was an absolute nightmare. The venue is a perfect setting for a show of this size, but access is a problem, with lines of traffic snaking through the country roads leading into the park. Although we felt we gave ample time to get to the show, we were in a cold sweat as we approached the grounds and were relieved to get a text saying that judging had been delayed due to the traffic situation. We were not allowed into the unloading zone as it was simply too congested and were re-directed to what seemed like a field in a neighboring county, and left to our own devices. Commandeering our entire set-up and three dogs among the two of us, we set off through uneven terrain for the 15-minute slow-walk to the actual show site.

Once there, it was a relief to see that no detail had been left ignored. The layout and tenting was expansive but thoughtfully laid out. Everything seemed well organized and there seemed to be no difficulty finding space for grooming. The Club generously provides free electricity for all exhibitors: surely a great perk for our coated terriers.

Mrs. Connie Clark, who ranks among the country's foremost terrier authorities, had the honor of judging our USLTC Specialty on the day. The weather could not have been more cooperative: slightly overcast and comfortably cool. The class dog entry marched in and the puppy classes proved a promising lot. **Paisley Delzar Supernova** (GCHG CH Paisley Notwithstanding ex CH Kajsenborg's Senita), better known as "Sirius", was given the nod for Winners Dog and a 4-point-major. Sirius was handled by Tracy Szaras for breeder and co-owner Kathy McIndoe. Reserve was "Hades," or **Hi-Kel Terrydale Timeless** (CH Hi-Kel Terrydale T Is For Trifecta ex GCH Hi-Kel Who Am I To Dis A Bri), bred and owned by Maripi Wooldridge, Sara and Ariel Cukier, and Karen J'Anthony.

Among bitches, the entry brought forth from the open class **Keslake's Closing Time** (Ch. Lazy VI's Sugar Ray SEN ex GCh. Keslake's Cocktails at Six) as winners for a 5-point major, ably handled by Simon Simaan for breeders/owners Kevin and Lisa Rogan. Kevin and Lisa were ringside and clearly thrilled at this win: it is not often that a blue is so rewarded on such a competitive weekend. Also from the open class was the reserve winner, **Wakefield Song In The Key of Larkspur** (GCHS CH Larkspur Acadia Save Me A Spot ex Ch. Wakefield Irish Music), bred and owned by Mark and John Brandsema, co-owned with Susan Fraser, and shown by Jared Lane.

Fifteen specials were accounted for consideration, and all were shown beautifully by their respective handlers. Mrs. Clark put them through their paces, and then got down to brass tacks. She pulled the dogs, **GCHB Ch. Northcote Isn't That The Way** (Ch. Paperman Atlantis ex Ch Northcote O'Brady Taryn About) and **CH Hi-Kel Terrydale No Denial** (Ch Northcote Empowered ex GCHG Ch Hi-Kel Terrydale Mizzconceived) out for further consideration. "Mac" (*Northcote*) and "D" (*Hi-Kel)* are no strangers to the ring: Mac has practically circumnavigated the dog world, winning at the highest level wherever he goes. Bred and owned by Terri Alloway and Kim Wendling, with Kim at the end of the lead.

"D" is the leading Lakeland in America, all-breed-system, bred and owned by that incredibly successful triumvirate of the Cukiers, Maripi, and Karen J'Anthony. The talented Leonardo Garcini had D in great condition.

Among bitches, the contest narrowed to Casey Granton and Mark Rock's **GCHS CH. Aspen Hill Let's Misbehave** (GCHB Ch. Tolyn's Han Solo ex Ch. Teraz Quintessential at Aspen Hill), better known as "Lulu" and shown to perfection by RC Carusi. Also in for consideration was **GCh. Wakefield Britannia** (Ch. Saredon This Is England ex Ch Wakefield American Voice), owned and bred by Mark Brandsema and Robin Abbey, "Brit" being breeder/owner/handled by Mark.

After some consideration, Mrs. Clark moved "Brit" to the head of the line, followed by "*Closing Time*" for Best of Winners, and "Mac" for Best of Opposite. Selects were awarded to "D" and "Lulu".

The group that evening was held under artificial lighting, as the size of the show meant that it was well after darkness for group judging. The incomparable terrier authority Clay Coady officiated in the terrier group and, while he gave all due consideration to the Lakeland, there were worthier exhibits and he certainly found them. The great Smooth Fox Terrier was first, followed by an Airedale who will be long remembered for her quality, third to a Scottie who wins impressively anywhere he goes, followed by a relatively new Sealyham who made a name for herself

earlier in the year and made her mark later on this famed weekend, with much to follow, I'm sure.
The very respected judge, Terry Stacy, adjudicated over the finals of this remarkable event. His eventual winners were Best in Show to an absolutely fabulous black-and-tan American Cocker Spaniel, **GCHG Rejoices To The Point**. Reserve went to a smashing Portuguese Water Dog, **Ch. Odysea It's Always Sonny at Surfari**. All in all, it was a great start to the weekend.
Hatboro dawned with weather holding and the party moving to the Macungie show site in Pennsylvania, which is the main stage of the weekend. Exhibitors seem to be getting used to the show grounds and the area. Nancy Lovelady was the judge for the second USLTC Specialty of the weekend, and found for Winners Dog the lovely 6-9 grizzle-and-tan **Hi-Kel Terrydale Ursa Major** (Ch. Hi-Kel Terrydale T Is For Trifecta ex GCH. Hi-Kel Terrydale Who Am I To Dis A Bri). "Griz" is bred by Maripi, the Cukiers, and Karen J'Anthony, and owned by the Cukiers and Devon Allen, who owner-handled him to this 4-point major. A promising youngster who will no doubt make his presence felt in the future. Reserve went to the red brother ("Hades").
For Winners, Ms. Lovelady chose the bred-by bitch, **Northcote's Fun And Games** (Ch Northcote's No Doubt About It ex Ch. Northcote's Child's Play), known as "Charlotte" and bred and owned by Terri Alloway

and Kim Wendling, shown by Kim. Reserve went to the open bitch shown by Tracy Szaras, **Lenora Sandia (Sanchez)**.

Breed dogs came in and Mrs Lovelady pointed to an international visitor, **Ch. Nordlicht von den Schoenen Bergen** (Paperman Goldfinger ex Silver Shine von den Schoenen Bergen). Bred and owned by Friedrich-Wilhelm Schoneberg, this dog may be remembered from last year, where he won several majors over the weekend and also met with success over the Royal Canin shows in Orlando. Mr. Schoneberg's kennel, based out of Germany, has been famous for top winners in every country they have competed. Best of Winners went to *Fun and Games*, and Best of Opposite went to *Britannia.* The Select Dog was **Ch. Masterpiece M. JP Benjamin** (Masterpiece M. JP Ichi ex Masterpiece M. JP Stephany, bred by Makiko Kimura and owned by Kiyomi Fujiwara. "Benji" is professionally shown by Michael Morgan-Lynch. Select Bitch went to **Ch. Elite's Light Up The Sky** (Ch. Northcote Empowered ex GCh. Elite's Light My Fire). "Fame" was bred and owned by Craig and Dana Lawrence and Pat Peters and shown beautifully by Margery Good. Two Awards of Merit were given: one to the bitch "Lulu." The other went to **Ch. Lazy VL's Sugar Ray SEN** (Ch. Keslake's Black Tie Affair ex Ch. Lazy VL Aretha Queen of Soul JE SEN), bred and owned by Mary Porter and co-owned with Lisa Rogan.

On to Hatboro II. Judge Jim Dickinson chose "Nordlicht" for breed, "Britannia" for Best of Opposite, with Best of Winners going to the Winners Dog, "Hades." For Winners Bitch, the puppy **Northcote Snap Crackle and Pop** (*-isn't that just about the best name for a Lakeland? – Ed.).* She is sired by GCHB Northcote's Isn't That the Way out of Northcote's Grace Note. Bred and owned by Terri Alloway and Kim Wendling, shown beautifully by Kim.
This bitch has had a tremendous career in her native Canada with many group wins from the puppy class, and many more Best Puppy in Show wins. Reserve went to *"Closing Time*". Select Bitch went to *"Fame*" and Select Dog was "D". Mr Dickinson's choice for Best of Breed – Owner Handler was **Ch. Crown Music Of The Night** (GCh. O'Brady Clifftops Just One Look ex Ch. Well-Red's Queen Charlotte FCAT2). "Aria" is owned and beautifully groomed and shown by Alissa Crane, and co-bred with Renee McMillan and Patricia Harbison.
For the first time, the USLTC held a concurrent specialty and it was only fitting that well-known and respected judge, Red Tatro, adjudicated. A past president of the Club, a current board member of the American Kennel Club, a well-known judge of several groups, and a respected breeder/owner/handler of

Lakelands (and various other breeds), we were lucky he agreed to the assignment.
His choice for Best of Winners came from the puppy dog class, where "Hades" again came forward for a 5-point major. Reserve Winners Dog was Judi Crowe's **Teraz Ride The Wind** (Ch. Hollybriar's Thunderstruck JE ex Ch. Teraz Matrix Material Girl), co-owned with Pat Rock and shown by Klayton Harris. Winners Bitch went to *"Closing Time"*, shown expertly by Simon Simaan. For reserve, it was the Mexican bitch, *Lenora Sanchez*. For Best of Opposite Sex, it was "D", with Select Dog going to "Benji." An Award of Merit went to "Fame" and to "Sugar Ray," and Select Bitch went to "Fame." For the Best of Breed pick it was "Brit," breeder/owner/handled by Mark. Alissa Crane's "Aria" was awarded Best of Breed – Owner Handler.
Friday evening the USLTC hosted their annual educational offering, titled "Ask Maripi." Maripi

Wooldridge, who needs no introduction, graciously accepted the Club's invitation to speak in an open-forum style. This proved to be a popular and well-received interaction and one we can hope will be repeated in the future, either with Maripi making an encore or other prominent breed fanciers agreeing to host such an event.

Saturday was Devon, which is now a regular all-breed show and not a designated USLTC specialty. Dr. Scott Kellogg was our judge, and for Best of Breed he chose "Brit," with Best of Opposite going to "Nordlicht." Select dog was "D", with Select Bitch being "Fame." *Leonora Sanchez* was Winners Bitch, for a 5-point major, reserve going to "Merry" (*Wakefield Song In The Key of Larkspur*). Winners Dog went to a dog bred by that very-well-known Belgian team of Rony DeMunter and Dieny Winkel Uiterwijk, **Richie Rich van Fonliny Home at Jarot** (Q-Party van Foliny Home ex Chelines Folina). Owned and shown by Masashi Kimura, who made the journey from Japan. Both handler and dog were elated by the win. Reserve was a handsome black-and-tan exhibited by co-breeder Tracy Szaras, **Paisley Delzar The Alchemy** (GChB Hi-Kel Terrydale Troubadour ex Kajsenborg's Lucy Love) for co-breeder and co-owner Kathy McIndoe.

After the show, most of us trekked to Hops Restaurant, near Macungie, for our Club's annual dinner and meeting. We had a great attendance of Lakeland-minded people, the food was excellent, the Club speeches were kept to a minimum… I'd say the evening was a rousing success!

Montgomery day dawned, and in what seemed like something of a miracle, a fifth consecutive day of beautiful weather. This is my 27th consecutive year at this show, and I think I've seen it all: frost, tropical heat, rain, mud. This year was one to treasure. Maria had seen to every arrangement with her usual expertise: at all of our specialties and particularly our National. Our specialty was judged by well-known all-rounder judge, Desmond J. Murphy (widely known as "Desi."), and our Sweepstakes were judged by Kathleen S. McIndoe of Paisley Lakeland Terriers. Kathy has been in our breed for many decades and her highly successful involvement for many years coincided with decades of success with our Wheaten brethren. Our Club is fortunate that both accepted these assignments and we benefited from their great experience and knowledge.

Ms. McIndoe chose, for Best in Sweepstakes, the handsome 6-9 youngster, "Hades," breeder/owner/shown. For Best of Opposite it was the 6-9 bitch, **Northcote's Naughty Naughty** (GChB Northcote's Isn't That The Way ex Northcote's Fun and Games), bred and owned by Kim and Terri, and shown by Kim. Veteran's Sweepstakes went to **Ch Greycottage and Larkspur Secret Agent Man** (Ch. Northcote's No Doubt About It ex GCh. Larkspur Acadia Summer Secret at Graycottage SE), bred owned and shown by Maria Sacco for co-breeder Susan Fraser.

For the regular classes, Mr. Murphy started things off awarding Winners Dog to the Morris & Essex winner, *Supernova*, shown by Tracy Szaras. Reserve went to "Hades." Winners Bitch was shown by breeder/owner Ariel Cukier for co-breeder/co-owner Maripi Wooldridge and Sara Cukier, and co-breeder Sara Peterka, **Hi-Kel Terrydale You Right** (Ch. Hi-Kel Terrydale Just Daniel ex Ch. Glacieridge Red Label). "Doja" later went on to be selected Best of Winners, and Best Bred-By Exhibitor.

In for breed, Mr. Murphy chose "Nordlicht" as Best of Breed, with "Brit" Best of Opposite and Best Bred-by-Exhibitor in Breed. His choices for Select were the dog, "D" and the bitch "Fame." For Awards of Merit he went with Alissa's "Aria", who also was chosen Best of Breed – Owner Handler. Of special note, our specialty attracted three working dog entries, with Pat Rock's **Hollybriar The Devil Made Me Buy This Dress** (Ch. Hollybriar Thunderstruck JE ex Ch Hollybriar What You See is What You Get) emerging best.

Montgomery is always such a special time, for both dogs and people. We see folks that we otherwise rarely have the opportunity to, and a cross-section of dogs that represents the breed not just nationally but internationally. To those who have yet to add Montgomery weekend as an annual pilgrimage, please consider it.

As a breeder, it is always an honor to be asked to judge one's parent club National Specialty sweepstakes, so thank you to everyone who voted for me to do this three years ago. Special thanks to my stewards, Al Ferruggiaro and Hans Kabel, who kept the ring running smoothly and efficiently. I was pleased overall with the quality of the entry. Front assemblies continue to be a bit of a problem, some ears could be better, and a few bites were slightly off, but for the most part the puppies were easily recognizable as having correct Lakeland type. The only puppy dog class had two 7 month old puppies, which is never a great age for evaluation, especially for boys. With that in mind, both these dogs show a great deal of promise and I look forward to seeing them grow up. It was not an easy choice, but the class winner asked for it more on the day. The 6-9 month puppy girls were a delight. Each one took to heart the saying that "girls just want to have fun" and I hope that as they grow up, they continue to have fun, albeit with a little more decorum. First and second place pressed each other and the choice came down to which I would like to take home. In the 9-12 month bitch class, my decision was made on condition, with the second place girl being in just too short a coat on that day. Best in Sweepstakes was the puppy dog, because as I already said, he just asked for it. Best of Opposite came from the 6-9 puppy bitch class, the lovely little girl that checked all the boxes. Best of luck to all these puppies as they continue to mature and develop. I hope each one lives up to the promise their breeders and owners wish for them. I will follow them all with great interest.

BREED CRITIQUE Mr DESMOND MURPHY

It was a great pleasure to judge the National at Montgomery 2025. I had previously judged roughly 20 years ago and still remember it so well. The very first dog of my very own was a Lakeland. Queen Bea of Fostoria and it was 70 years ago. I have seen all the great Lakelands over the last 60 years. It is only over the Montgomery weekend that we see all the best Lakelands competing together. I believe all the top winning dogs were competing over the weekend.

The weather was comfortable enough to be able to Showcase the dogs in the sun. This was nice to be able to let everyone see the dogs to their best advantage. Luckily it was earlier enough before the weather became rather hot in the sun.

It is this weekend that we see the future of the breed. There were 26 class animals entered and I imagine many of them had never been seen before.

When I got to the W.D. class I was so pleased by the depth of quality. Both the W.D. and Reserve W.D. were youngsters. The W.D. was just fourteen months old and the Reserve W.D.was just eight months old. Both of them should have a bright future. The W.B. and B.O.W. was just seven months old. I will be looking forward to seeing her next year competing with the older dogs with maturity and finish on her. I think that she will have a great future. The Reserve W.B. was a mature bitch also of beautiful type.

The Specials Class had great depth of quality. I had to narrow the cut to only the dogs that would get the major awards and the 2 A.O.M's. There were quite a few top quality dogs that did not make the cut, which allowed their handlers to go to other rings.

It was a very close decision between B.O.B. and B.O.S. I felt both of them to be outstanding representatives of the breed. The breed winner won the breed 3 of the six shows over the weekend and the B.O.S. bitch won the breed the other 3 days. It was between them all 5 days. The 2 Selects and 2 A.O.M'S were also of exceptional quality. I only wish I had been able to give more A.O.M'S. Some very nice dogs were not able to get a ribbon.

I would like to thank the Club for inviting me. Specials thanks to the breeders who bred such quality that made such a memorable assignment. As a whole the dogs were in top coat and condition. I am pleased to say most were of correct size. None were Welshie in type. The future looks good for the breed. I look forward to seeing them all next year.

In Other *Show News* ...

Canada has been the source of a lot of top-winning Lakies lately, with one particular standout still shining bright. Crystal Davies' homebred "Cahri" (**Am/Cdn Ch. Affirm Charismatic**) continues to win groups and Best in Shows wherever she goes, and currently is standing at #1 Terrier and #6 All-Breeds in Canada. The top-winning Lakeland in Canadian history, Am/Cdn Ch. Jamelyn Second Edition, culminated his career with 43 Bests. Crystal and Cahri look poised to break that record! Also in Canada, a new debut from the famous Northcote kennel, named "Snap Crackle and Pop" started out strong winning groups and several Best Puppy in Shows from the 6-9 class.

To the United States, where there have been a number of firsts. Collecting his first Best in Show was the nation's top Lakeland Terrier, **G.Ch. Hi-Kel Terrydale No Denial**. "D" consistently places or wins in whatever company he's shown in. Bred by Arial and Sarah Cukier, Maripi Wooldridge, and Karen J'Anthony, and always presented impeccably by Leonardo Garcini.

Also collecting his first American Best was **Am/Jap Ch. Masterpiece M. JP Benjamin**. Bred by M. Kimura and owned by Kiyomi Fujiwara, "Benji" is presented by Michael Morgan-Lynch. He ranks as the #2 Lakeland Terrier and is a consistent winner as well.

Another Lakeland to find herself in the winners' circle is Jared Lane and Mark Brandsema's **Am/Cdn Ch. Wakefield Moonrise**. Always handled by Jared, this was a special win for him as it was his first as a handler. "Morgan" was bred by Mark, Sara Peterka, and Alexis Perkins.

Not to be outshone by her kennelmate, **Am/Cdn Ch. Wakefield Britannia** collected her first American Best. "Brit" is bred by Mark Brandsema and Robin Abbey. She collected a second Best in Show in November, and places reliably in the groups.

"Lulu," who is Casey Granton and Mark Rock's **GCh. Aspen Hill Let's Misbehave**, is now shown by R.C. Carusi and has enjoyed considerable success. So far, three Best in Show wins and keep an eye out for her on Thanksgiving: she was Best of Breed at the National Dog Show in Philadelphia.

With five newly-minted Best in Show winners, our breed has been competitive lately. The last shows of the year will be coming up in Orlando, and assuming that most of the major players will be in attendance, it will be an exciting AKC National Dog Show week.

SPECIAL *awards*

HAROLD "RED" TATRO

PRESIDENT'S AWARD

This year's President's Award was given to Harold "Red" Tatro.
Red and his wife Denise have been members of the USLTC since 1982. He has served the club in many positions, Board Member, Treasurer, President and Chair of Judges Education to name a few. He has been an invaluable resource to the club. He actually started the Presidents Award when he was USLTC President.

Red judged our National Specialty twice, in 2007 and in 2016. He and Denise are breeder/owner/handlers of Lakelands, Whippets and Chihuahuas. They have also competed with their whippets in AKC Lure Coursing, getting titles on both ends of their dogs. Red is an AKC judge for the Terrier and Hound groups, most of the Toy group, Miscellaneous breeds,Junior Showmanship and Best in Show. Red also serves as the Delegate for the Dallas Fort Worth Kennel Club, and is a member of the AKC Board of Directors. He has served in officer capacity in his other Parent Club, The Whippet Club of America.

The USLTC is very lucky to have Red and his expertise in the USLTC and we thank him for his service to the club, it's members and the Lakeland Terrier.

PATRICIA PETERS

AKC SPORTSMANSHIP AWARD

The committee of past AKC Sportsmanship Award winners has chosen Patricia Peters as the 2025 recipient of the award.

Pat's membership and service to the USLTC has been many decades long. She joined the club in 1969. She has been a top breeder and exhibitor as well as a gifted speaker and educator. She bred Lakelands under her Kifel affix and currently breeds them in partnership with The Lawrences under the Elite affix. Her dog Ch.Kifel Pointe of Vue, "Flirt" went Best In Show At Montgomery County Kennel Club in 1987

She has freely given her time to mentor and support new members. She has used her artistic and writing skills to help put together the Illustrated Standard, our club logo, as well as created trophies for numerous Breed Clubs, including the Valerie Reid Memorial Trophy previously offered by the USLTC. Her honesty and integrity and Breed knowledge has made her an excellent ringside judge's mentor for the USLTC. She judged Lakelands at the Montgomery County Kennel Club in 2017. She continues to serve the club as a member of the Board of Directors.

MEET
junior handler
Naomi Mader

My name is **Naomi Mader** and I am 12 years old. I live in Kensington, Maryland and I have 2 Lakeland Terriers.

I began my show career earlier this year, with my first ever show being on March 1st. I started out showing my mentor's Golden Retrievers, because at the time my first Lakeland, Jessy, was still a puppy.

Then we were offered another Lakeland by our breeder and co-owner, Mark Brandsema. Her name is Trixie and she now lives with us. She is a very sweet dog, and is especially curious about our cat.

After we got Trixie I began showing her, and the second time I ever showed her/any Lakeland, I won Reserve Best Junior! It was an amazing feeling and now I show her all the time. In fact, I even moved up to Open Intermediate with her after we won our final win together in Novice. I can't wait for new adventures to come in my showing career, and to spend more time with my dogs!

Naomi Mader

MEET
breeder
Lynn McCain
("Tolyn's")

I did not grow up in the world of purebred dogs. As a child, we had small mixed-breed dogs that purportedly contained beagle, chihuahua, and rat terrier…or something along those lines. The only purebred dogs I knew were a pair of Kerry Blue Terriers that lived at my friend's house down the street. They were vicious dogs and left me with a bias against the breed that lasted well into my adulthood.

In 1988, I adopted a German Shepherd x Greyhound puppy and knew she would need training. That is when my introduction to the world of purebred dogs began. I took Lady to Quansa Kennels Training facility in South Beloit, IL. There, I learned about Airedales, Lakelands, Border Collies, and other breeds. I began competing in mixed-breed performance events and wanted to join my friends at AKC shows.

I got my first purebred dog, an Airedale Terrier, from Pat Muller of Quansa Kennels. Kara was a great dog, but not quite show quality. I learned to groom and show, not very successfully. We competed in agility, obedience, and rally, more successfully. Soon, I got a second Airedale. When I moved to Michigan to get married, we lived with my in-laws for a few months. My deaf mother-in-law fell in love with Kara, who taught herself to work as a hearing dog. When we moved to our own place, Kara stayed behind.

In the Spring of 1996, I received a call from Pat – would I be interested in a show-quality 6-month-old female Lakeland Terrier. I jumped at the offer! Soon, little Bobbi joined our family, and I have been a Lakie person ever since. I quickly learned that grooming a Lakeland is not the same as grooming an Airedale. They are much smaller, but their coat is different and less forgiving. I struggled learning how to groom. I showed Bobbi in conformation, but was having a hard time getting majors primarily due to my poor grooming. Finally, Allison Sunderman, who was a well-known terrier handler in Michigan, and is now a judge, took pity on me. She fixed my grooming at a show and helped me finish Bobbi, my first Lakeland champion - Ch. Quansa's Doubletime. Unfortunately, all her photos were destroyed in a flood.

Over the years, I bred 19 champions of record, over nine generations of Lakeland Terriers. This may not sound like a lot to some, but I had a small home kennel, and most of my pups were sold as pets. Only a few went to show homes. But I couldn't do this alone – I needed others every step of the way. Through the years, I have benefited from the diligence and careful breeding of stud dogs from a variety of kennels that made my dogs into what they are today. My first litters were co-bred with Pat Muller of Quansa Kennels, who was truly a dear friend and mentor to me as I got started in showing, training, and breeding. She trusted me with my first Airedale and Lakeland, taught me to groom, how to train and handle a dog, mentored me as I began showing, and walked with me as a new breeder. I also owe a debt of gratitude to Allison Sunderman, who not only helped me groom and finish Bobbi, but sold me my first stud dog, Wally (Ch. Mayapple Braveheart of Tolyn), a son of the famous Ch. Larkspur Liberator. I went to visit her kennel in 2004 and saw that little boy in an ex-pen. When I found out he was still available, I jumped at the chance!

Ch. Mayapple Braveheart

Another breeder who became a dear friend is Nancy Kiss of Caliente Lakelands in Canada. She showed Wally to his Canadian Championship while I borrowed her boy, Chance (AM CAN CH Calientes Louieville Perchance), and showed him to his American Championship. I bred Chance to Bobbi's granddaughter, Kimmy (Ch. Tolyn's Double Dare Ya, ME) in 2008, from which I got my first two homebred champion stud dogs, Willie (Ch. Tolyn's Gold Ticket) and Tango (Ch. Tolyn's Takes Two To Tango). Their sister, Tolyn's Dancing with Dixie, went on to become a PTSD service dog and agility dog. When Tango was just a few months old, he jumped out of my husband's arms and cracked the growth plate in his right knee. The vet said his right rear leg would always be shorter than his left. He would never be a show dog. I took him home, kept him on crate rest, and did daily physical therapy with him. Gentle motion exercises, pool therapy in a horse trough, ball therapy, and more. His growth plate healed, and he was one of the most powerfully moving dogs I ever had. Never give up when there is still a chance!

Sara Peterka, Glacieridge Kennels, also contributed to my breeding program. I visited her in Minnesota to

evaluate her 2014 litter and fell in love with one of her little boys, who became Ch. Glacieridge Java Jive at Tolyn. JJ was a very fun puppy with lots of joy. He finished quickly from the puppy classes. However, that year, my husband had serious health issues, and Pat Rock stepped up and took JJ home with her for the winter, so I would have one less dog to worry about…and she could have a nice boy to use at stud. By spring, we had gotten into our new routines, and JJ came back home. Several years later, life took another tailspin for us, and Sara graciously took JJ back to live with her and most of my remaining dogs went to other Lakeland breeders.

Ch. Tolyn's Takes Two To Tango

But before that, I had bred one of my girls, Annie (Ch. Tolyn's Queen Anne's Lace) to another of Nancy Kiss's boys, Skecher (Caliente's the Shoemaker), and produced Tori (Ch. Tolyn's Victorian Lace). With Tori, I was able to work with yet another of our wonderful Lakeland Terrier breeders, Rob McCarthy of Sheffield Lakelands. I bred Tori to Topper (GCH Sheffield Knight at the Top Spot). This pairing produced two gorgeous puppies – Peter (CH Tolyn's Victorian Knight at Caliente) and Piper (Ch. Tolyn's Lady of the Lyst). Peter was destined for Canada from an early age, then on to New Zealand. He has produced beautiful puppies in both locations. Meanwhile, Piper became my heart-dog.

"Piper" new AKC Champion

Ch. Glacieridge Java Jive at Tolyn

Through Tori, I was introduced to yet another Lakeland Breeder, Hector Luna, who bred Senna (Intl CH MX CH Am GCHB Baishan Chihenne Band (Luna). Senna was being shown in the United States by Gabriel Hernandez, who graciously allowed me to use him at stud. This pairing produced Ch. Tolyn's Rey De Oro, Ch. Tolyn's Queen Victoria, as well as Tolyn's Mi Amorita, Tolyn's Rocketman at Caliente, Tolyn's Roxy Roller at Caliente, and Tolyn's Duchess Riley. Sadly, Roxy died just shy of her championship from parvo picked up at a dog show, and Rocketman nearly died at the same time. Rocketman is now a performance dog and a much-loved pet. It was such a nice litter, I decided to repeat it, and that is a story that needs to be told.

Ch. Tolyn's Victorian Queen & Ch. Tolyn's Mi Amorita

Tori's pregnancy was uneventful, but toward the end, she began to appear extremely large on one side. She became listless, and I brought her to the vet in the middle of a terrible blizzard. After a quick exam, the vet said an emergency c-section was needed. She heard four heartbeats, but three of them were very weak. She proceeded with the c-section, and discovered a huge ballooning aneurysm in one horn of the uterus caused by a decaying puppy. She quickly delivered the dead pup and the three that were alive earlier, but they did not survive. In the other horn was

a single male puppy, who was toxic, as was Tori. Chances were not good for either of them to survive. With care and prayer, both Tori and her sole surviving pup survived. That puppy is Am GCHS CH, CN GCH MBIS MBISS Tolyn's Han Solo.

Am GCHS CH, CN GCH MBIS MBISS Tolyn's Han Solo

Han Solo's success in the show ring is not because of me. I showed him to his championship, but it was another breeder and friend who took it from there. Susan Munson, of Aspen Hill Kennels, put Han Solo with professional handlers Leonardo Garcini, and later, Celso Scheider. Han Solo won breed at Montgomery twice under Leonardo (2021, 2024), who also found him his current home in China, where he is known as Solo, the #1 Terrier and #2 All Breed dog in China.

What's next? I just sent a young prospect off to Korea and have a litter due Montgomery weekend by Rey x Piper, with show homes waiting. Wish me luck!

But not all success comes in the conformation show ring. My pet puppies went on to achievements of their own. They competed quite successfully in multiple sports. Bobbi, the matriarch of the clan, held a senior earthdog title, and her granddaughter, Kimmy, who is behind all my dogs, was a master earthdog. Lacey was a senior earthdog and had her first rally leg when she unexpectedly passed away while under a friend's care as we bid our son farewell on his way to Marine bootcamp. And you definitely need to check out Amy Frye's Cairo (Tolyn's Cairo Jameson AX MXJ XF JE DCAT TRACH CZ8B SR TKN) on Facebook, one of Senna and Piper's puppies. But more than anything, they are all beloved pets in homes around the country. There are so many others I haven't mentioned that were shown, exhibited in performance, or just great family pets – if I didn't mention you, please do not be offended!

Tolyn's Cairo Jameson AX MXJ XF JE DCAT TRACH CZ8B SR TKN

Beyond the breeders who participated in my breeding program, I have made friends with so many other people through the sport of dogs. I look back over 30 years and recall times when we got together for cookouts in my camper after a day of shows, or sat under a pop-up at the Montgomery USLTC luncheon, or enjoyed a meal out together at the end of the day, or furiously groomed too many dogs for a show. Food definitely is part of the fun, but we have also spent hours talking on the phone. I spent time on the USLTC board as the head of Lakeland Rescue, where I got to know other breeders much better than I otherwise would have. While I am no longer breeding as much as I used to as I pursue a doctorate while continuing my career, I still treasure the friends I have made over the years. This is a team sport, and we have to work together for the betterment of the breed. In Lakeland Terriers, I have met and worked with some fantastic people. Thank you to all who supported me, encouraged me, and participated with me breeding our intelligent, mischievous, and all-around wonderful Lakeland Terriers

"Once again we celebrated our National Specialty at Montgomery County. It was great to meet up with so many of you, and the entry continues to be strong. Congratulations to all the winners. In this issue, please find our annual round-up of the weekend's festivities, as well as the show results.

Also, we are pleased to feature Lynn McCain of the well-known ToLynn kennels. Lynn's Lakelands have done well both stateside and internationally. If you have any suggestions for a future kennel profile, please reach out to me.

We also feature Junior handler, Naomi Mader. Naomi has taken to Lakelands and to junior showmanship like a duck to water: we wish her every success as she moves forward.

An idea for a future article: the origin of kennel names. Please reach out to me with how you chose your kennel name and what the significance is.
